- Has There Been An Increase In Litigation By Workers Disabled By Related Injuries 6-2517
- Can We Subpoena An OSHA Inspector In A Case In Which We're Being Sued By A Worker 6-2522
- Can We Be Sued For An Employee Injury On A Machine We Manufacture And Use In Making Our Primary Product 7-2535

SAFETY TALKS

A Complete Program of Five-Minute Talks to Promote Safety

24 MAJOR TOPICS, Indexed, including:

"Unavoidable" Accidents Falling Objects & Holes Conveyors, Pallets, Drums
Fire Prevention Machine Tools & Machine Guards Forklifts, Handtrucks

The Best safety training your workforce can get is from your first-line supervisor. Unfortunately, many supervisors need help in selecting the right topic and then in getting that safety message across.

BRP's 750 page SAFETY TALKS manual covers every conceivable safety subject and can make any supervisor's meetings more effective. Its **Safety Talk Tips** section offers practical advice on how to run safety meetings.

Improved workplace safety pays. BRP's SAFETY TALKS will help establish and prove management's commitment to a hazard-free workplace. You are free to reproduce the SAFETY TALKS and distribute them to your supervisors. **\$115.00**

SAFETY INSPECTION MANUAL

Covers most recent changes in OSHA regulations and over 200 checklists keyed directly to OSHA standards.

Will help you develop a low-cost, continuous safety & health program. Permits easy reproduction of checklists for internal distribution to department heads, etc. Ideal for supervisors to keep their departments safe and check quickly on standards covered by OSHA. **\$95.00**

PROTECT YOUR COMPANY FROM A TO Z

Prepared especially for the small to medium-sized company which cannot afford to staff a full-time Security Department.

Over 200 pages of policies, procedures, controls, checklists, forms, for an effective Security Program. Use it in planning and implementing a new security system. Use it in evaluating your current system. Use it as a training tool for employees and supervisors. Use it to help prevent future losses. **\$95.00**
